Notice Regarding Application for Delisting of Shares from the London Stock Exchange

Mitsubishi Corporation, at the Board of Directors meeting held on September 18, 2015, resolved to apply for the cancellation of the standard listing of its Shares of Common Stock (JP3898400001) on the Official List of the UK Listing Authority, and the cancellation of the admission to trading of the Shares on the Main Market of the London Stock Exchange, as described below.

1. Reason for Delisting

Mitsubishi Corporation has decided to apply for the cancellation of listing having considered that there is no significant benefit in maintaining the listing due to the low volume of shares traded on the London Stock Exchange, and having assessed that the delisting will have negligible effect on its shareholders and investors.

2. Continuation of Listing on Other Stock Exchanges

The Shares will continue to be listed on the Tokyo Stock Exchange, Nagoya Stock Exchange, and New York Stock Exchange (ADR).

3. Schedule of Cancellation of Listing

The application for cancellation of listing was made on 18 September 2015. The cancellation of listing of Shares on the London Stock Exchange is expected to be completed by the end of October 2015.
