### Minebea to Showcase New LED Product Line at LIGHTFAIR International 2016

Minebea Co., Ltd., an innovator of LED technologies, will participate in LIGHTFAIR International 2016 Exhibition and Conference, taking place from 26<sup>th</sup> through 28<sup>th</sup> in April, 2016 at the San Diego Convention Center in San Diego, California, U.S.A.

Minebea will sponsor, present and exhibit at LIGHTFAIR International, which is the world's largest annual architectural and commercial lighting trade show and conference. The company will display its latest innovations at booth #7017, located in the Sails Pavilion. The Minebea team will also lead two interactive sessions in The HUB lounge, also located in the Sails Pavilion:

- “Meet the New Smart Adjustable Light for the IoT – Revolutionizing the Lighting Industry,” on Tuesday, April 26 at 11:30 a.m.
- “How Smart Cities Become Smarter – Sustainable Technology Solutions You Can Implement Right Now,” on Wednesday, April 27 at 2:00 p.m.

Additionally, Minebea Representative Director, President and Chief Executive Officer Yoshihisa Kainuma will host an exclusive media luncheon on Tuesday, April 26 at 12:15 p.m. to showcase several products being released to the North American lighting market.
